This information within this brochure does not constitute a contract. The right is reserved to modify requirements before or during matriculation.
PROGRAM OVERVIEW

The B.S. / M.D. Program allows the student to complete the requirements for both the B.S. and M.D. degree in six years instead of the customary eight years.

A limited number of students enrolled in the College of Arts and Sciences will be admitted each year to the Howard University College of Medicine as part of the entering class of traditionally selected students.

ELIGIBILITY

This Program is designed for students who are admitted to Howard University who would matriculate into the College of Arts and Sciences in the Fall Semester immediately after graduation from Senior High School. **Transfer students are not eligible for the program.** The pre-college background of the prospective B.S. / M.D. students must include:

- Two or more years of foreign language, include literature.
- High School biology, chemistry, and physics
- High School mathematics (including algebra, geometry, and trigonometry)

APPLICATION PROCEDURE

1. Apply to the College of Arts & Sciences

To obtain a copy of the undergraduate application for admissions to Howard University contact the Admissions Office:

Office of Admissions
Howard University
2400 6th Street, N.W.
Washington, DC  20059

Admissions to the College of Arts and Sciences does not automatically secure a place for the student in the B.S. / M.D. Program.

2. A copy of the letter of acceptance from the College of Arts and Sciences, Howard University

3. An essay demonstrating interest in medicine and service to the people who may be less privileged than yourself (please include name, phone # and e-mail address).

4. Official high school transcript

5. Official ACT or SAT scores

6. Two letters of recommendation (one from a science instructor and one from a high school guidance counselor)

Send the above materials to:

Center for Preprofessional Education
B.S./M.D. Program
2225 Georgia Ave., NW, Rm. 518
Howard University
Washington, D.C.  20059

FINANCING YOUR EDUCATION

Information concerning scholarships, loans, and work-study programs can be obtained from The Office of Financial Aid, Administration Bldg., Howard University, Washington, D.C. 20059.

CURRICULUM

**College of Arts and Sciences:**
4 semesters and 1 summer - (years 1 and 2)
During the B.S. phase of the program, all students must complete a minimum of 86 semester hours of specified courses in the social sciences, humanities, and natural sciences.

- Specific General Education requirements for the College of Arts and Sciences (minimum of 42 credits).
- Perquisites for College of Medicine (minimum of 44 credits)
- Clinical experience
- Seminars and Workshops
- Independent study and group projects

**College of Medicine** - 4 Years
Thirty-eight credits from the first two years in the College of Medicine will serve as electives for the College of Arts and Sciences.

The B.S. Degree will be awarded after the requirements specified by the College of Arts and Sciences (including the electives of the student) have been completed successfully - (May of year 2).

After all requirements for the M.D. degree, as specified by the Howard University College of Medicine, have been completed successfully, the M.D. degree will be conferred. Students who do not complete the program in the College of Medicine may return to the College of Arts and Sciences to complete the requirements for the regular degree program.
