**PROGRAM OVERVIEW**

The B.S./D.D.S Combined Program is a special curriculum at Howard University that allows students to complete the requirements for both the B.S. and D.D.S. degrees in six years.

The program consists of Phase One in the College of Arts and Sciences and Phase Two in the College of Dentistry. The B.S. degree will be awarded after the first two years of the program have been successfully completed; the D.D.S. degree will be awarded after all curriculum has been completed.

A limited number of students will be admitted to the College of Arts and Sciences phase of the program. Any freshman or sophomore students enrolled in the College of Arts and Sciences can be admitted to the B.S./D.D.S. program.

**Eligibility**

This program is designed for students who are admitted to Howard University who would matriculate into the College of Arts and Sciences in the Fall Semester immediately after graduation from Senior High School. Transfer students are not eligible for the program. The pre-college background of the perspective B.S./D.D.S. student must include:

- Two or more years of foreign language, including literature.
- High school biology, chemistry and physics.
- Mathematics (including algebra, geometry and trigonometry).
