

# EXTERNAL SCHOLARSHIPS

Welcome to the COAS External Scholarship Opportunities Page! Here, you will find a list of scholarships offered by various organizations, foundations, and companies that are available to college students. These scholarships are not administered by the university itself, but we have compiled this list to help you in your search for financial assistance.

Please note that the information provided here is subject to change, and it's important to verify all details and deadlines directly with the respective scholarship providers. Happy applying!
