

Amajah Hall is a Senior Criminology major, Sociology minor from Pittsburgh, PA. This past spring semester in her junior year, she was awarded the opportunity to partake in a legislative internship through the Texas Legislative Internship Program (TLIP) founded by Harris County Commissioner Rodney Ellis. For the duration of the 88th regular session—January 10 through May 31, 2023—Amajah worked with Texas State Representative Christian Manuel; a freshman, democratic member of the 22nd House District. Beginning as a Legislative Aide, Rep. Manuel and his Chief of Staff Victoria Flores saw potential for more and promoted Amajah to his Policy Analyst.

During her time in Austin, TX, she met with various house representatives, senators, staff members, and lobbyists in order to push Rep. Manuel's legislative agenda forward. As of September 1, 2023, a total of six bills authored by Rep. Manuel will be enacted into Texas law; all of which Amajah assisted in pushing the bills through the House and Senate. In her free time, she socialized with her peers in TLIP and embarked on short escapades with the friends she gained through working in the State Capitol.

By the end of the 88th regular session, Amajah gained skills in legal writing analysis, compromise, and paying keen attention to detail in language and speech and she was given the opportunity to continue as his Policy Analyst to this day.
