

TEAM HARRIS

Vice President of the United States Kamala Harris was first introduced to her love for politics while studying at Howard University where she earned her undergraduate degree. In 2003, Sen. Harris became the District Attorney of the City and County of San Francisco. A few years later Kamala was elected as the first African-American and first woman to serve as California's Attorney General. In the United States, Harris is the first Black woman and Asian-American to run for vice president on a major party ticket. In 2021, she took office as vice president of the United States.

TEAM CAPTAIN MYRA LEWIS

Myra Lewis, 3rd-year Biology major, Chemistry minor from Charlotte, NC is a Flagship Ambassador and captain of Team V.P. Kamala Harris! She is very excited to serve as the captain and wants to create a voice of representation across the College of Arts and Sciences. Myra plans to engage with her team and create a collaborative environment where each voice on her team has the ability to share, learn, and cultivate new experiences. Just like the famous Howard University Alumna, Kamala Harris has quoted that "...you are powerful and your voice matters". Myra wants to incorporate that mantra in her team's environment, but also in her local and international community. As she is highly inspired by the efforts women like Kamala Harris have created, she also wants to help others in this world grow their voices and make a change in our world!
